Twenty-Nine (feat. Tyler Joseph)

Whittaker

Oh, Elohim
Oh, Elohim

It's Your voice that echoes over many waters
Your voice spoke and created me
It's Your voice that breaks the mighty cedar
It's Your voice broke my stubborn heart

Oh, Elohim
Oh, Elohim
Oh, Elohim
Oh, Elohim

it's your voice that flashes,
flames of fire.
your voice consumed my every sin.
it's your voice that shakes,
the earth and heaven.
it's your voice that makes me sound secure

Oh, Elohim
Oh, Elohim
Oh, Elohim
Oh, Elohim

I declare You are Lord
I'm in awe of You, Lord
Show me how to worship You
Just as the angels do
Just as the angels do (x4)
