The Red and the Black

Redeads

Canadian Mounted, baby police force at work
Red and black, it's their color scheme
Get their man in the end
(It's all right)
It's all right
(It's all right)
It's all right
(It's all right)
Ah yeah, my honies know it's all right
(It's all right)
It's all right
(It's all right)
It's all right
(It's all right)
Ah yeah, baby knows it's all right
You'd kill, you'd maim
(Ah, c'mon kill 'em)
You'd kill, you'd maim
(Look out)
C'mon my husky
Frontenac Chateaus baby I cross the frontier at ten
I got a whip in my hand, baby
And a girl or a husky at leather's end
(It's all right)
It's all right
(It's all right)
It's all right
(It's all right)
Ah yeah, baby knows it's all right
(It's all right)
It's all right
(It's all right)
It's all right
(It's all right)
Yeah baby, yeah it's all right
You'd kill, you'd maim
(Ah, c'mon kill 'em now)
You'd kill, you'd maim
Horn swoop me bungo pony on dog sledge on ice

Make a dash for freedom baby, don't skate on polar ice
It's too think to be sliced by the light of long and white polar nights
(It's all right)
It's all right
(It's all right)
It's all right
(It's all right)
Yeah, baby knows it's all right
(It's all right)
It's all right
(It's all right)
It's all right
(It's all right)
Yeah, knows it's all right
You'd kill, you'd maim
(Ah, c'mon kill 'em now)
You'd kill, you'd maim
(Maim 'em too ah, break it up)
