

I Can't Lose

Bow Wow

Let's go
Uh, yeah, uh, uh, uh, yeah
Ha, I know y'all can hear that, ha
Just need to holla at y'all for a minute ya know
Let y'all know that I'm still here
And I'm gonna always be here
Making these hits after hits
It ain't gonna stop

[Chorus]
I can't lose
I've been in this game for too long
Y'all ain't gonna take mine
I'm saying, I can't lose
I'm the very best
And I'm gonna be the best for a long time
And I can't lose
Y'all cats just wagging along my tail
Y'all can't carry my bone
I'm saying, I can't lose
I'm the top dog of 'em all
And you know I'm taking it home

Sony plays me when I'm up at the station
All of a sudden they got me up in Hot's rotation (it's all love)
When I see 'em, yeah I act like I'm they little brother
But I can't get on Source or the XXL cover (please, just once)
That's why I call myself the mayor
Name me one rap cat who sold out Madison Square (Bow Wow)
But Janet, Michael, and a couple of rock acts
That don't know crap about rap
All these little rap cats is here because of me
All them bubblegum raps is about to see
Swing on tour, came up outta the ceiling
Teasing these girls eyes, just what they was feeling
Over this little rap villain
And

[Chorus]

Yeah, uh, I can't lose, don't matter who I'm facing
The number one under 21 artist in this nation
The rhyme writer, all the young girls like him
Fellas want to be like him, I got 'em like Pied Piper
Follow my paw print, whatever y'all print in the magazines is nonsense
Stop all this, yakety yakkin
The fact that nobody rapping
Can stack 'em up to the ceiling
Like 30,000 a building now
You got Jigga, Ja, Nelly, Nas, Eminem, and Kiss
But I represent it for all the kids now
Say that I'm bragging, but no rapper in my age bracket
Is making it happen the way that I made it happen, now

[Chorus]

Yeah, You think it's easy don't ya
Want to be Weezy don't ya
I'm a performer homie, you just take it easy won't ya
From Nickelodeon shows to BET
I'm approaching the podium, voters voting for me
Cause I keep it real with 'em, every time I deal with 'em
They "Bounced With Me" from the start, and I'm still with 'em
I got the keys to cities I never heard of
And every inner city kid got me turned up
With this CD on replay, so the he say, she say don't affect me
No way, I go on day to day
And continue to make money
Make music, make movies
You can never take this from me (nope)

[Chorus]

Aw, there you have it
Ladies and Gentlemen
Just had to talk to y'all for a minute ya know
Spit at the fans, spit at the people
You know what I'm saying?
Let them know what's going on
But uh, we gonna ride it out like this though
If you know it, sing it with me

I can't lose

[Bow Wow]

I was thinking maybe I come over
And hang out with you tonight

[Girl]

YOUR NOT COMING OVER!

[Bow Wow]

Ha, if I come over, what you gonna do?

[Girl]

No, I'll feed you to the dogs

[Bow Wow]

Your gonna feed me to the dogs?
What, I'm coming over anyway

[Girl]

You won't

[Bow Wow]

Yeah, I'm coming over anyways, alright?

[Girl]

Okay

[Bow Wow]

Alright, bye.
