

Hellbound Train

[Lita Ford](#)

Bad luck and trouble
Crashin' through my veins
And I ain't bound for glory
There's a devil in my brainGot a fistful of whiskey
A suitcase full of sin
An' there's a thousand nasty habits
Underneath my skin, yeahWe can fly on wings of the flames
Comin' down hard, only yourself to blame
Playin' so tough in a deadly game
Ain't that a shameGoin' down tonight on a Hellbound train
Goin' down tonight on a Hellbound trainI'm a speed demon, baby
Movin' way too fast
You put a dagger through my soul
But you'll never kick my ass, oh noWe can fly on the wings of the flames
Comin' down hard, only yourself to blame
Playin' so tough in a deadly game
Ain't that a shameGoin' down tonight on a Hellbound train
Goin' down tonight on a Hellbound train
Goin' down tonight, I'm HellboundWell, I ain't good for nothin'
Nothin's what I crave
I'm your angel of darkness
And I'll see you in hell one dayWe can fly on the wings of the flames
Comin' down hard, only yourself to blame
Playin' so tough in a deadly game
Ain't that a shameGoin' down tonight on a Hellbound train
Goin' down tonight on a Hellbound train
Goin' down tonight, I'm Hellbound
On a Hellbound train
