

# Let Love Be Your Energy (Edit)

[Robbie Williams](#)

Out of a million seeds  
Only the strongest one breathes  
You made a miracle mother  
I'll make a man out of me Daddy where's the sun gone from the sky?  
What did we do wrong, why did it die?  
And all the grown ups say 'sorry kids we got no reply' If you're willing to change the world  
Let love be your energy  
I've got more than I need  
When your love shines down on me Every tear that you cry  
Will be replaced when you die  
Why don't you love your brother?  
Are you out of your mind? Daddy where's the sun gone from the sky  
What did we do wrong, why did it die  
And if you've got no love for me then I'll say goodbye If you're willing to change the world  
Let love be your energy  
I've got more than I need  
When your love shines down on me If you're willing to change the world  
Let love be your energy  
I can't contain how I feel  
When your love shines down on me  
Well if you want to come and make a stance  
So when it's in your hands  
People will show me love Well if you want to come and make a stance  
So when it's in your hands  
People show me love If you're willing to change the world  
Let love be your energy  
I got more than I need  
When your love shines down on me If you're willing to change the world  
Let love be your energy  
I can't contain how I feel  
When your love shines down on me
