

Torn

Ednaswap

I thought I saw a man brought to life
Yeah, he was warm, he came around like he was dignified
He showed me what it was to cry
Well you couldn't be that man I adored
You don't seem to know, don't seem to care what your heart is for
No, I don't know him anymore
There's nothing where he used to lie
My conversation has run dry
That's what's going on, nothing's fine, I'm torn
I'm all out of faith, this is how I feel
I'm cold and I am ashamed, lying naked on the floor
Illusion never changed into something real
I'm wide awake and I can see the perfect sky is torn
You're a little late, I'm already torn
So I guess the fortune teller's right
I Should have seen just what was there, not some holy light
Oh but you crawl beneath my veins and now
I don't care, I have no luck, I don't miss it all that much
There's just so many things that I can't touch, I'm torn
I'm all out of faith, this is how I feel
Cold and I am ashamed, lying naked on the floor
Illusion never changed into something real
I'm wide awake and I can see the perfect sky is torn
I'm all out of faith, this is how I feel
Cold and I am ashamed bound and broken on the floor
You're a little late, I'm already torn
Oh oh oh
