

Here I Go Fallin'

Diamond Rio

Yeah I'm lookin', ain't' everybody lookin'?
For that one of a kind, one on a million
Match made in heaven that we all know
Probably don't exist, what's that?
Yeah I'm jaded, over it, cynical
Maybe even a little bitter about all the chances I've missed 'Cause I've seen it all come and go before
I've just see it all again
But if I thought for one instant it might be love
I'd be the first one jumpin' in And here I go fallin'
The minute love starts callin'
Here I go fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt Yeah I know it's kinda fast, I only met her last night
So what makes me think this one's gonna be any different?
Let's just say I've got a real good feeling about it
Is it meant to be? Do I think it's gonna last?
I don't know, I ain't goin' there, I ain't touching that
But I'll tell you this Every time I get close to her
I can't think of nothin' else
She's in every thought, every dream I ever dream
I can't stop myself And here I go fallin'
The minute love starts callin'
Here I go fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt It was sure nice talkin' to you
But I really gotta run
'Cause I think I finally found her man
And here she comes And here I go fallin'
The minute love starts callin'
Here I go fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt Go fallin'
The minute love starts callin'
Here I go fallin'
For all it's worth, for better or worse
Like I've never been burned and I won't get hurt Go fallin'
The minute love starts callin'
And here I go fallin'

The minute love starts callin'
