

Wonderful

Gary Go

The person that you were has died
You've lost the sparkle in your eyes
You fell for life into it's traps
Now you wanna bridge the gaps
Now you wanna bridge the gaps
Now you want that person back And all your ammunition's gone
Run out of fuel to carry on
You don't know what you wanna do
You've got no pull to pull you through Say I am, say I am
Say I am wonderful
Say I am, oh say I am
Say I am wonderful If what you've lost cannot be found
And the weight of the world weighs you down
No longer with the will to fly
You stop to let it pass you by
Don't stop to let it pass you by
You've gotta look yourself in the eye and Say I am, say I am
Say I am wonderful, oh you are
Say I am, oh say I am
Say I am wonderful 'Cause we are all miracles
Wrapped up in chemicals
We are incredible
Don't take it for granted, no
We are all miracles
