James Dean (i Wanna Know)

Daniel Bedingfield

I could be, James Dean
The music scene
I could be, a big star
Like that man called 'Queen'
I could have, fly moves
Be a dance floor dream
But if she can't seem to notice me
Then what's it worth now
(Haa)
(Could have)
It could be teeth flashin'
A Brad Pitt smile
Been wearin' Versace
'Cause that's my style
Got my hair cut
By the extra mile
But if she can't make it worth my while
Then what's the point now
I wanna know
(If you're busy, huh, huh, huh)
I wanna know
(If you're doing anythin' tonight)
I wanna know
(If you missed me)
I wanna know
(Babe)
I wanna know
I wish that I could kiss your lips
The way that I, I want to baby
I wish that I could be your man
I wish that you could be my lady
I could be Sly Stone
At the family crew
I could be Big Bad Daddy War Bucks
And love you too
I could be knocked senseless
By what you do
But if it's pain that you put me through
It isn't love now

I made up
My own darn mind
I'm gettin' no love
After all this time
I'm gonna make music
Till my brain is fried
Because you can't see the man inside
It ain't enough now
I wanna know
(If you're busy, huh, huh, huh)
I wanna know
(If you're doing anythin' tonight)
I wanna know
(If you missed me)
I wanna know
(Babe)
I wanna know
I wanna know
(If you're busy, huh, huh, huh)
I wanna know
(If you're doing anythin' tonight)
I wanna know
(If you missed me)
I wanna know
(Babe)
I wanna know
I wanna know
I wish that I could kiss your lips
The way that I, I want to baby
I wish that I could be your man
I wish that you could be my lady
I wanna know
(If you're busy, huh, huh, huh)
I wanna know
(If you're doing anythin' tonight)
I wanna know
(If you missed me)
I wanna know
(Babe)
I wanna know
I wanna know
(If you're busy, huh, huh, huh)
I wanna know
(If you're doing anythin' tonight)
I wanna know

(If you missed me)
I wanna know
(Babe)
I wanna know
I wanna know
(If you're busy, huh, huh, huh)
I wanna know
(If you're doing anythin' tonight)
I wanna know
(If you missed me, huh)
I wanna know
