

# Through Glass(Thomas Pedersen Cover)

## Stone Sour

I'm looking at you through the glass  
Don't know how much time has passed  
Oh God, it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever  
When no one ever tells you that forever feels like home  
Sitting all alone inside your headHow do you feel? That is the question  
But I forget, you don't expect an easy answer  
When something like a soul becomes initialized  
And folded up like paper dolls and little notes  
You can't expect a bit of hope  
And while you're outside looking in  
Describing what you see  
Remember what you're staring at is me'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever  
When no one ever tells you that forever feels like home  
Sitting all alone inside your headHow much is real? So much to question  
An epidemic of the mannequins  
Contaminating everything  
When thought came from the heart  
It never did right from the start  
Just listen to the noises  
(No more sad voices)  
Before you tell yourself  
It's just a different scene  
Remember it's just different from what you've seenI'm looking at you through the glass  
Don't know how much time has passed  
And all I know is that it feels like forever  
When no one ever tells you that forever feels like home  
Sitting all alone inside your head'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever  
When no one ever tells you that forever feels like home  
Sitting all alone inside your headAnd it's the stars  
The stars that shine for you  
And it's the stars

The stars that lie to you  
And it's the stars  
The stars that shine for you  
And it's the stars  
The stars that lie to you  
I'm looking at you through the glass  
Don't know how much time has passed  
Oh God, it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head  
'Cause I'm looking at you through the glass  
Don't know how much time has passed  
All I know is that it feels like forever  
But no one ever tells you that forever feels like home  
Sitting all alone inside your head  
And it's the stars  
The stars that shine for you  
And it's the stars  
The stars that lie to you  
And it's the stars  
The stars that shine for you  
And it's the stars  
The stars that lie to you  
Who are the stars  
Who are the stars they lie
