

What I Miss About You

[Katie Melua](#)

Missing the train every morning at 8:52
Sipping coffee from the same cup as you
The sharing of secrets we thought no one else knew
Thats what I miss about youThe new way that love had made me see
Your bashful grin when you asked if I would like your key
The knowing way you used to caress me
Thats what I miss about youYou stole in with your starry smile exciting me
Driving with you in your new car, feeling free
If it's true that love is blind then I was blind willingly
You made me feel we had a future that could be and would beThe way you said Id be no one on my own
Your habit of soaking yourself in over-priced cologne
The way you turned the lights out when I knew you were home
Thats what I dont miss about youI bet youre using your weary magic like its new
Driving so fast with a new fool beside you
Presumably believing shes the last of the lucky few
I wonder if she knows shes being lied to like I doThe way I only doubted myself when I was with you
Like I was flawed for expecting something from life too
Your skill of putting me down in front of everyone we knew
Thats what I dont miss about you
