

# A Horse With No Name

## America

On the first part of the journey  
I was looking at all the life  
There were plants and birds and rocks and things  
There was sand and hills and rings  
The first thing I met was a fly with a buzz  
And the sky with no clouds  
The heat was hot and the ground was dry  
But the air was full of sound I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
Cause there aint no one for to give you no pain La la la la la  
La la la la la  
La la la la la  
La la la la la After two days in the desert sun  
My skin began to turn red  
After three days in the desert fun  
I was looking at a river bed  
And the story it told of a river that flowed  
Made me sad to think it was dead You see I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
Cause there aint no one for to give you no pain La la la la la  
La la la la la  
La la la la la  
La la la la la After nine days I let the horse run free  
Cause the desert had turned to sea  
There were plants and birds and rocks and things  
There was sand and hills and rings  
The ocean is a desert with its life underground  
And a perfect disguise above  
Under the cities lies a heart made of ground  
But the humans will give no love You see I've been through the desert on a horse with no name  
It felt good to be out of the rain  
In the desert you can remember your name  
Cause there aint no one for to give you no pain La la la la la  
La la la la la  
La la la la la  
La la la la la
