

Bernard's Three Awakenings

Tub Ring

I Don't Want To Wake Up
And I Don't Want To Wake Up
With You Anymore And I Don't Think It's My Place To Say
All The Things That You Brought
Across The Bedroom Floor Long Fermented Wheat And Barley
Morning Made For Being Sorry
Brain Cells Who They Fought
To Save Exit Wounds
Are All The Rave, Yeah
Crowds They View Upon A Slant
Worship The Agave Plant, Yeah
Let's All Praise The Sun Three Weeks My Home Has Been This Hospital Bed
Not Much Longer 'Til I Wish I Were Dead
The Chart Records My Health According To Day
By Now I Feel That I Have Something To Say Something To Say
Something To Say
Something To Though The Evening Sent Us Soaring
Bernie Is The King Of Morning
Fearless With His Russian Friend
Bernie Stays Until The End, Yeah
Focusing On The Something New
Sometimes The Night Is Never Through, Yeah
Let's All Praise The Sun I Hear Your Voice As You Visit My Side
Immobilization Does Nothing For Pride
There's Vacancy In This Spot Where I Lay
By Now I Feel That I Have Something To Say Something To Say
Something To Say
Something To Long Fermented Wheat And Barley
Morning Made For Being Sorry
Brain Cells Who They Fought
To Save Exit Wounds
Are All The Rave, Yeah
Crowds They View Upon A Slant
Worship The Agave Plant, Yeah
Let's All Praise The Sun And I Don't Want To Wake Up In Pain
And I Don't Want To Wake Up With You Anymore
