## **Bernard's Three Awakenings**

## **Tub Ring**

I Don't Want To Wake Up And I Don't Want To Wake Up

With You AnymoreAnd I Don't Think It's My Place To Say

All The Things That You Brought

Across The Bedroom FloorLong Fermented Wheat And Barley

Morning Made For Being Sorry

Brain Cells Who They Fought

To Save Exit Wounds

Are All The Rave, Yeah

Crowds They View Upon A Slant

Worship The Agave Plant, Yeah

Let's All Praise The SunThree Weeks My Home Has Been This Hospital Bed

Not Much Longer 'Til I Wish I Were Dead

The Chart Records My Health According To Day

By Now I Feel That I Have Something To SaySomething To Say

Something To Say

Something ToThough The Evening Sent Us Soaring

Bernie Is The King Of Morning

Fearless With His Russian Friend

Bernie Stays Until The End, Yeah

Focusing On The Something New

Sometimes The Night Is Never Through, Yeah

Let's All Praise The SunI Hear Your Voice As You Visit My Side

Immobilization Does Nothing For Pride

There's Vacancy In This Spot Where I Lay

By Now I Feel That I Have Something To SaySomething To Say

Something To Say

Something ToLong Fermented Wheat And Barley

Morning Made For Being Sorry

Brain Cells Who They Fought

To Save Exit Wounds

Are All The Rave, Yeah

Crowds They View Upon A Slant

Worship The Agave Plant, Yeah

Let's All Praise The SunAnd I Don't Want To Wake Up In Pain

And I Don't Want To Wake Up With You Anymore
