

The Invocation

Matt Maher

O Revelator
Sustaining every soul who longs to know
The Father's will
O Revelator
Sustaining every soul who longs to know
The Father's will
Veni Sancte Spiritus
Veni Sancte Spiritus
Come reveal what's in Your heart
Show us who we really are
Come reveal what's in Your heart
Show us who we really are
More than wounds and more than scars
Show us who we really are
Saints and sinners set apart
Sons and daughters who we are
Shine Your Light into the dark
Shine Your Light
