## Amana Melome'

Kiss the sun  
In your eyes  
Love unveiled  
I can't deny  
Be not warned  
Watch it fall  
Mesmerize...Close your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
cause you love me...Give this one  
On bended knee  
Price to pay  
Please wait for me  
A trial by fire  
A setting Sun  
A love I've won...Close your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
Cause you love me...Inside, I wait  
Inside, I waitKiss the sun  
In your eyes  
Love unveiled  
I can't deny  
be not warned  
Watch it fall  
Mesmerize...Close your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
Cause you love me...Inside, I wait  
Inside, I waitClose your eyes and begin to breath  
Something is coming over me  
Lost to find, and a soul to keep  
Cause you love me  
you love me  
you love me  
you love me...
