I Don't Wanna Fall In Love

Tonya Mitchell

Who needs to feel that way
Who needs those words to say
Who wants to give their heart
To watch love fade away
Cause I made up my mind
I didnt' wanna know
Why should I find a love
That isnt' here to stay
I wasnt' waiting until you came along
And now I need you to tell me
Where my heart belongs[chorus]
But I don't wanna fall in love
Til I fall in love with you
And you showed me what my heart already knew
(my heart knew)
I don't wanna fall in love
Til I know the love is true
'cause I need ('cause I need)
You to feel the way I do
When I give my heart to youI've seen the tears they cry
When it's time for goodbye
I didnt' wanna be the one who's asking why
I didnt' think that I would ever feel so strong
But now I know that I was wrongChorusNow I believe it's worth the chance
To find the love to last (my life) for all my life
Give me a sign so I will always know this love is right
(this love is right)Repeat chorusBut I don't wanna fall in love
(don't wanna fall in love)
Til I fall in love with you
And you showed me what my heart already knew
(what my heart already knew)
I don't wanna fall in love
(don't wanna fall in love no..)
Til I know the love is true
Cause I need (cause I need)
You to feel the way I do
When I give my heart to you
When I give my heart to you...
