

Hold on I'm Coming

Welshly Arms

Don't you ever
Be sad
Lean on me
When the times get bad
When our day comes
And you are down
In a river of trouble
And about to drown
Well just hold on
I'm coming
Just hold on
I'm coming
I'm on my way
Your love
Oooo when you get cold
I'll be your cover
You don't have to worry
Cuz I'm here
I don't need to suffer
Because I'm near
Just hold on
I'm comin'
Hold on
Yeah, I'm comin'
Hold on
I'm comin'
Ooo hold on
I'm comin'
Just reach out to me
For satisfaction
Oh just call my name
For quick reaction
Yeah-heah
Yeah Ye-hoo
Oh don't you ever
Don't you ever be sad
Won't you lean on me
When them times get bad
Oh when the day comes

Oh and you are down
You're in a river of trouble
You're about to drown
Ooo-
Hold on
I'm comin'
Just hold on
Darlin' I'm comin'
Just hold on
I'm comin'
Won't cha hold on
I'm comin'
Hold on
I'm comin'
Just hold on
I'm comin'
Hold on
You know I'm comin'
Yeah hold on
Oh I'm comin'
I'm comin baby
Hold on
I'm comin'
Oh just hold on
Oh i'm comin'
I'm comin'
I'm comin'
Wont cha Hold on
