

Love Changes Everything(Sarah Brightman)

Sarah Brightman

From Aspects of Love Love, love changes everything,
Hands and faces, earth and sky
Love, love changes everything,
How you live and how you die
Love, can make the summer fly,
Or a night seem like a lifetime
Yes love, love changes everything,
Now I tremble at your name
Nothing in the world will ever be the same Love, love changes everything,
Says are longer, words mean more
Love, love changes everything,
Pain is deeper, than before
Love, will turn your world around,
And that world will last forever
Yes, love, love changes everything,
Brings you glory, brings you shame
Nothing in the world will ever be the same Off into the world we go,
Planning futures, shaping years
Love bursts in and suddenly,
All our wisdom disappears
Love, makes fools of everyone,
All the rules we make are broken
Yes, love, love changes everything,
Live or perish, in its flame
Love will never ever let you be the same
Love will never ever let you be the same
