

# Rrir

## Wallpaper.

I'm that bottle of Jack  
I'm the roach on your dresser  
I'm the last day of school  
I'm the last day of summer  
I'm that song in your head  
I'm your drunken tattoo  
I'm your hungover Sunday  
I'm that one time on shrooms  
I'm your dusty degree  
Cost you hell of money  
I'm a ten dollar tick  
From that party at Twenty  
I'm a 5 a.m. phone call  
From your drunk ex-girl  
I'm the scream of your baby  
When she enters the world

Drunk on a feeling  
Love, you're going to need it  
If you're down in the dirt  
Or you're dead on your feet  
You can say say say my name  
Drunk on a feeling  
Love, you're going to need it  
If you're drinking or not  
If you can give me a ride  
Won't you say say say my name  
Ricky Reed is real

I'm the shit and the fan  
I'm your first walk of shame  
I'm the blood on your hands  
I'm the suburbs in flames  
I'm that Section 8 housing  
I'm aluminum siding  
I'm your black eye throbbing  
And the sunglasses hiding it  
I'm your best friends dunks  
On the telephone wire

I'm the night on the town  
On the day you got fired  
I'm the last dollar bill  
In your duct tape wallet  
I'm your first french kiss  
Since you came out the closet

Drunk on a feeling  
Love, you're going to need it  
If you're down in the dirt  
Or you're dead on your feet  
You can say say say my name  
Drunk on a feeling  
Love, you're going to need it  
If you're drinking or not  
If you can give me a ride  
Won't you say say say my name  
Ricky Reed is real
