Terminal

The Word Alive

I am a creature
Who lies in wait
I'm not the man you think I am
I will bring you downI can't relinquish my grip
I know that you're breathing but do better than this
I can't relinquish my grip
I know that you're breathing but do better than thisDon't believe in me
I'll bring you down
You know I want you to drown
I'm water in your lungs
Don't believe in me
I'll bring you downI am the darkness in your life
Why you can't sleep at night
I am the weakness of your mind
Your life is mine
MineI can be
Who I need to be, need to be
I am transforming,Â I can be
Who I need to be, need to be
I am transformingDon't believe in me
I'll bring you down
You know I want you to drown
I'm water in your lungs
Don't believe in me
I'll bring you down
I'll bring you downI've ruined
Everything I've loved
I've thrown away almost everyone
I've ruined
Everything I've loved
I've thrown away almost everyoneDon't believe in me
I'll bring you down
You know I want you to drown
I'm water in your lungs
Don't believe in me
I'll bring you down
I'll bring you downDon't believe in me
I'll bring you down
