Dirt Pride

Strapping Young Lad

Praing yourself,
Do you know what you're doing?
Point blank when you hear what I say
No way you can wash away nature...
Do you know what you're doing...
Do you know what to say?
Dripping... SeepingDripping... Leaking
Dripping... CabbagesGrazing away
Do you know what you're feeling?
You fool... do you know where you lay?
Do you know what I'm saying...I'm gone, there's no answer... it's over
Do you know what I'm saying?
Dripping... Gigbutt
Dirt Pride... My prideDripping... Bunksock
Bathe... Bathe...Commiserate...Commiserate...
I'm not about helping hopeless
Bored when I wash them away...
Internal a body at war with itselfDripping... Seeping
And the bleeding I do... it's for me
Dripping... LeakingDripping... Cabbages
Bathe... Bathe...
Praising yourselfCommiserate... Commiserate
Point blank when you hear what I sayDo you know what you're doing?
Wash my fucking ballsNo color, no code, no creed... WAR
