

Wobbles

Benmont Tench

As the night leaves the Quarter
And the dawn's light kisses the river
That's the time when I first saw her
My darlin
She was wobblin
Down Esplanade See her stop sway & shimmy
What she got
She got plenty
Is she sought out?
Oh by so many
And she's wobblin
Down Esplanade Lord, ain't she somethin
Lost in the rhythm
What I'd give her
To walk with her
Lord to kiss her
As she wobbles down Esplanade Lord, ain't she somethin
Lost in the rhythm
What I'd give her
To walk with her
Lord to kiss her
As she wobbles
Down Esplanade
And she's wobblin
Down Esplanade
