

I Do

Musiq Soulchild

Sometimes I don't like you
You always got a problem
With anything that I do
I don't always
Understand everything about you
But I know
I just can't live without you
So yeah I do-I do, I do-I do, I do-I do, yeah Sometimes I
Think you might be a little crazy
But it's fine, cause I
I'm still gon treat you like a lady
Now I can't stand it when
Girl, you be tripping and you know it
But I know you just can't control it
So I ain't going nowhere even though Sometimes I don't like you
You always got a problem
With anything that I do
I don't always
Understand everything about you
But I know
I just can't live without you
So yeah I do-I do, I do-I do, I do-I do, yeah It don't matter how
What I do or say or show you
Cause you still question
If it's really real, what I'm feeling for you
I know that people say
Things ain't always what it seems
I promise this is not a dream
I'm really here with you, and you're here with me Sometimes I don't like you
You always got a problem
With anything that I do
I don't always
Understand everything about you
But I know
I just can't live without you
So yeah I do-I do, I do-I do, I do-I do, yeah Even when you know I know you're dead wrong
And before too long
You ain't got to apologize
It's all right

Yeah Sometimes I don't like you
You always got a problem
With anything that I do
I don't always
Understand everything about you
But I know
I just can't live without you
So yeah I do-I do, I do-I do, I do-I do, yeah
