

# Think (2015 Remastered Version)

Mick Jagger

Think about the sacrifices that I made for you  
Think about the hard times that you put me through  
Think about the good things that I done for you  
Think about the bad things that I tried not to doCome on baby  
Think about the good things  
Think about the bad things  
Think about the right things  
Think about the wrong things  
And baby before you leave me you'll realise  
That I'm the one who loves youHow much of the happiness can you really claim  
How many tears have I shed, am I not to blame  
Though I can't remember what went wrong  
I tried so hard to please you, least that's what I thoughtCome on baby  
Think about the good things  
Think about the bad things  
Think about the right things  
Think about the wrong things  
And baby before you leave me you'll realise  
That I'm the one who loves youCome on baby  
Think about the good things  
Think about the bad things  
Think about the right things  
Think about the wrong things  
And baby before you leave me you'll realise  
That I'm the one who loves youThink about the sacrifices that I made for you  
Think about the hard times that you put me through  
Think about the good things that I done for you  
Think about the bad things that I tried not to doCome on baby  
Think about the good things  
Think about the bad things  
Think about the right things  
Think about the wrong things  
Come on baby  
Think about the good things  
And baby before you leave me you'll realise  
That I'm the one who loves you  
And baby before you leave me you'll realise  
That I'm the one who loves you  
And baby before you leave me you'll realise

That I'm the one who loves you
