Pom Pom

Indios Bravos

(love)
Can make your world go 'round
(love)
Can really bring you down
(love)
It's such a state of mind
(love)
Can take a long long time
(love)I've got to figure out love(love)
It's such a tricky thing
(love)
Can include diamond rings
(love)
Will make you scream and shout
(love)
If there is no way out
(love)
