

# Hello Hello

## Fickle Friends

I'm in a lie  
That I told last night  
You're a problem  
But you're mine  
I think you hide it well  
Despite the dark around your eyes You're a winner  
Even though you think you're not  
I'm not a quitter  
But you never talk  
Getting later and it's hard for you  
To turn in for the night  
Still I'm with ya  
Still I'm with ya, you know  
Still I'm with ya  
Can I have the boy I wanted?  
Hello, hello Any way we could keep it cool  
You respond when I'm polite  
Sitting on my suitcase  
In the doorway out of spite You're a winner  
Even though you think you're not  
I'm not a quitter  
But you never talk  
Getting later and it's hard for you  
To turn in for the night  
Still I'm with ya  
Still I'm with ya, you know  
Still I'm with ya  
Can I have the boy I wanted?  
Hello, hello Still I'm with ya  
(Oh, you're a winner though you think you're not)  
Still I'm with ya, you know  
(And you never talk)  
Still I'm with ya  
(Oh, getting later now)  
Can I have the boy I wanted?  
Hello, hello You're a winner  
Even though you think you're not  
I'm not a quitter  
But you never talk

Getting later and it's hard for you  
To turn in for the nightStill I'm with ya  
    Still I'm with ya, you know  
    Still I'm with ya  
    Can I have the boy I wanted?  
    Hello, helloStill I'm with ya  
(Oh, you're a winner though you think you're not)  
    Still I'm with ya, you know  
    (And you never talk)  
    Still I'm with ya  
    (Oh, getting later now)  
    Can I have the boy I wanted?  
Hello, hello(Oh, getting later now)  
    Can I have the boy I wanted?  
    Hello, hello
