

You Win Again (With Mike Curb Congregation)

Hank Williams Jr.

Well the news is out all over town
You've been seen out runnin' around
I know that I should leave but then
I just can't go, everybody knows you win again I'm sorry for your victim now
'Cause soon his head like mine will bow
He'll give his heart but all in vain
And someday say you win again This heart of mine could never see
What everybody knew but me
Just trusting you was my great sin
What can I do, got the blues, you win again You have no heart, you have no shame
You take true love and give the blame
Well I guess that I should not complain
I love you still, guess I always will, you win again
I love you still, guess I always will, you win again
And again
