QuilapayÃºn

Hey, hey
Shawty, dess fly, gotta thang on her
Touchin' me, makin' me feel, wanna all good
Straight from Peru, with water wet sand
Don't really talk English but I want a kissy kiss
Dominican with French accent
Shakin' dat thang in my face like damn, so quick
She standin' on the table slow whinin' with a bottle
She kissin' me in French
She smilin' in my face
(Smilin' in my face)
Breathe smellin' like patron
(Smellin' like patron)
The way she don't, I like the way she do it, see
She want me to disaffect the pain she want from me
Grindin' on my waist
(Grindin' on my waist)
I'm gonna take her ass home
(Takin' her ass home)
The way she do it, tellin' her, wait for me
She wanna ride it like a Harley, so I gotta see
That, that brrlumpp, a that
(Spittin' game)
That, that brrlumpp, a that
(Spittin' game)
That, that brrlumpp, a that
(Spittin' game)
That, that brrlumpp
A that, dat datty dat
She drive a 1967 Ford
So she showin' off things
The clubs in America, shot get away
Tossin' up, pop it off
See through cabalee skirt, shawty
Her friends say she got money to spend on me
Then she do a little stunt on the bottom
Looked at me, threw me the keys to her car
She do the splits on the table
Still whinin' with a bottle

And we kickin' it in France
And she know what she mean to me
She smilin' in my face
(Smilin' in my face)
Breathe smellin' like patron
(Smellin' like patron)
The way she don't, I like the way she do it, see
She want me to disaffect the pain she want from me
Grindin' on my waist
(Grindin' on my waist)
I'm gonna take her ass home
(Takin' her ass home)
The way she do it, tellin' her, wait for me
She wanna ride it like a Harley so I gotta see
That, that brrlumpp, a that
(Spittin' game)
That, that brrlumpp, a that
(Spittin' game)
That, that brrlumpp, a that
(Spittin' game)
That, that brrlumpp
A that, dat datty dat
