

Don't Need No

Punch Brothers

Dont need no chorus cashin' candy now
Dont need no callus crush to come around
And I dont know who you are You and your boys aint got nothing on me
Ive had my last eight drinks in here for free
Cause that's my friend tending bar
Yeah I got a friend who tends bar
And she wont let me tip her When I get tired tonight shell take me home
And if it's cold under the cover she'll keep me warm
Sweet lovely friend who tends bar
And lovely friends, who ten
