Forever (Ivan Jackson rmx)

Lil' Mo

Baby, you're the poet to my life
But I'm tired of playin' games
I'm ready to settle down, I'm ready to buy a house
And I'm ready to change my last nameI'm ready to have some kids, ready for the life to live
And all love has to give
I been your superwoman for so long
Ready to be your wifeLittle M ONow that love's taken over
I'm 100 percent sure that it's here to stay
I ain't got no issues standing in my way
I ain't goin' nowhere, you ain't goin' nowhere soLet's make it official, we ain't gettin' no younger baby
And I'm ready to be with you, together for always
To have and to hold, through sickness and through health
Marriage will be crazy babyCan you live with it, lovin' me for life
To have and hold forever
Baby. ride or die 'til death do us part
Let's make it last foreverAre you ready to be happy babe for the rest of your life
'Cause I wanna be your future, yeah and let's start a family
'Cause I ain't goin' nowhere
And you ain't goin' nowhere so let's make it officialLet's make it official, we ain't gettin' no younger baby
And I'm ready to be with you, together for always
To have and to hold, through sickness and through health
Marriage will be crazy babyCan you live with it, lovin' me for life
To have and hold forever
Baby, ride or die 'til death do us part
Let's make it last foreverI'm ready to walk down that aisle in all white
And dedicate my life to you
(Yeah, yeah)
And live together happily ever after allAll I been thinkin' 'bout is us
Slidin' from weddings with bands on
Headin' to San Juan, gettin' our tan on
Girl, you must be forgettin' your man's longMost tuxes I have trouble gettin' the pants on
And I know things run through your head when your man's gone
I come home have you sayin', better than Cam'ron
(Oh boy)
We upsettin' they plans on
Gettin' they chance on, gettin' they hands on F A B OCan you live with it, lovin' me for life
To have and hold forever
Baby, ride or die 'til death do us part
Let's make it last foreverCan you live with it, lovin' me for life

To have and hold forever
Baby, ride or die 'til death do us part
Let's make it last foreverMake it last forever
And ever and ever
Can you live with it, lovin' me for life
