Can't Go Back

Primal Scream

I looked into my baby's eyes
I tried so hard to find some light
When I looked there was no one there
No one there at allI walked on down a crowded street
I hard somebody talk to me
When I turned around to speak
There was no one there at allCan't go back, I can't go back
Can't go back, I can't go back
Can't go back, I can't go back
To the place I was beforeI stuck a needle in my arm
I stuck it in my baby's heart
She looked so hot and sexy
She wasn't there at allI heard some one break in my house
They had a gun they had a knife
But it was all behind my eyes
There was no one there at allCan't go back, I can't go back
Can't go back, I can't go back
Can't go back, I can't go back
To the place I was beforeMy baby looked into my eyes
She tried so hard to find some light
When she looked there was no one there
No one there at allCan't go back, I can't go back
Can't go back, I can't go back
Can't go back, I can't go back
To the place I was before
