

# Everything's Coming Our Way

## Santana

Open your eyes, let it begin with me  
Brand new day, fresh new way to live

The mornin' is callin'

Walk with me into the sun  
Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way

Here's my hand

Reaching out to you

Take it, darlin'

And lead me on, yeah  
Everything is comin' our way  
Everything is comin' our way

Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way

I can feel it in my bones

No man stands alone

Sister, brother

From all the same seed  
Everything is comin' our way  
Everything is comin' our way  
Everything is comin' our way
