

Stop loving you

[Kem](#)

Reflections in my mind, thoughts I can't define
My heart is racing and the night goes on
I can almost hear a laugh coming from your photograph
Funny how a look can share a thousand meanings
Well-intended lies, contemplating alibis
Is it really you or is it me I'm blaming
A distant memory flashes over me
Even though you're gone, I feel you deep inside
Dance beneath the light with that look in your eyes
I can't stop loving you
Time passes quickly and chances are few
I won't stop till I'm through loving you, girl
There's a window in the heart, I've tried to look through from the start
I can never really sure what someone else is thinking
Someone's broken something new, another altered point of view
Just a certain someone's conscience playing
I held it in my hand, I did not understand
What lives inside the wind that cries her name
Tried to catch a shooting star, what seems so close can't be that far
I'm living in a dream that's never ending
Dance beneath the light with that look in your eyes
I can't stop loving you
Time passes quickly and chances are few
I won't stop till I'm through loving you, girl
Dancing with that look that's in your eyes
I can't stop loving you
Time passes quickly and chances are few
I won't stop till I'm through loving you, girl
I can't stop loving you
Time passes quickly and chances are few
I won't stop till I'm through loving you, loving you
