Your my savior you will set me free forever,
It is by your grace and power that you have set me free.

You saved me you set me free,
You healed me you made me see,
You set me free!

You give me all that i need you give me life abundently,
You set me free.

All i want to do is praise you,
Cause' you have set me free.

Your my savior you will set me free forever,
It is by your grace and power that you have set me free.

You are the way,
I will live for you all my days never will i hope that breaks

All i want to do is praise you cause you have set me free.

Your my savior you will set me free forever,
It is by your grace and power that you have set me free.

There's freedom in the name of jesus,
Freedom from all sin.
