

# Maybe the Next Time

## Bananarama

Next time, alright, right now(chorus)

Maybe the next time

Next time

Love will be alright

Alright

Maybe the next time

Right now

I want you so(verse 1)

Your touch is so exciting

I feel the passion rising

Deep inside of me

I just can't seem to stop it

Anyway or how you want it

You got me(bridge)

Whisper so softly

Now nothing can stop me

I'm falling

I'm under your spell(chorus)(verse 2)

You're like a fantasy

Doing what you're doing to me

Just like my dreams

No one has ever moved me

Oh what you doing to me

It's so unreal(bridge)(chorus x 2)(bridge)Maybe the next time (ad lib)

(verse 1)
