

# Let The River Flow

## Mercyme

Lead (starts first)  
Let the river flow  
Let the river flow  
Let the river flow  
And refresh my soul  
Everyone  
Let the river flow  
Let the river flow  
Let the river Flow

And refresh my soul  
Flow living water?.Flow living water  
The water of life  
Flow living water?.Flow living water  
Flowing over me  
Let the river flow  
Let the river flow  
Let the river flow  
And refresh my soul
