

Cold Like That (Man Against Machine)

Garth Brooks

Yeah the high roads a little high to take
I wanna walk a mile the easy way
Want to take a page from your guiltless book
Want to let myself off the hook today
Let my conscience have a break I wish I could be cold like that
Then it wouldn't hurt so bad
I could be the train for a change
You could be the one tied to the track
Baby wouldn't it be nice
Just to plow through life
Fall in love, 'cause a crash
Walk away without a scratch
You crush hearts like that
I wish I could be cold like that
So cold like that Yeah you burn so hot until you get what you want
'Cause you got what you wanted
Then your love gets to stop
And the temperature drops
Like your heart was haunted
I wish I could be cold like that
Then it wouldn't hurt so bad
I could be the train for a change
You could be the one tied to the track
Baby wouldn't it be nice
Just to plow through life
Fall in love 'cause a crash
Walk away without a scratch
You crush hearts like that
I wish I could be cold like that
So cold like that
So cold like that I wish I could get off on a goodbye
Be the bad guy on the other side
I'm the chills
I'm the chills I wish I could be cold like that
So cold like that
I could be the train for a change
You could be the one tied to the track
Baby wouldn't it be nice
Just to plow through life

Fall in love 'cause a crash
Walk away without a scratch
You crush hearts like that
I wish I could be cold like that
So cold like that
So cold like that
I wish I could be cold like that
So cold like that Girl, I wish I could be cold like that
Then it wouldn't hurt so bad
I could be the train for a change
You could be the one tied to the track
Baby wouldn't it be nice
Just to plow through life
Fall in love 'cause a crash
Walk away without a scratch
You crush hearts like that
I wish I could be cold like that
So cold like that
