

# The Day I Stop Loving You

## Oleta Adams

The day I stop loving you will be the day the world stops turning

    The day I stop loving you will be the end of time

        But the saddest day I'll ever see

Is the day you stop loving meThe day I stop needing you will be the day that I stop breathing

    The day I stop needing you the sun won't rise

        But the darkest day there'll ever be

Is the day you stop needing meThere'll never come a time when I'll ever change my mind

    Can't imagine a life without your love

        You're forever in my soul, I'm never letting go

I will always be by your sideThe day I stop wanting you will be the day my heart stops beating

    The day I stop wanting you the stars won't shine

        But the saddest day there'll ever be

Is the day you stop wanting meCan't imagine a life without your love

    You're forever in my soul, I'm never letting go

        I will always be by your side

No, I'll never, never, never, never, never say goodbyeThe day I stop loving you will be the day the world stops  
    turning

    The day I stop loving you will be the end of time

        But the saddest day I'll ever see

Is the day you stop, please don't never ever, ever stop loving me
