

# Lazy Days

[Leona Naess](#)

Why can't you be with me  
Watching American TV?  
We'll order in Chinese  
And ask the world to stay away, please  
These hotels grow so stale  
Telling the same ass-tale  
By the time I get to you  
I'll be too tired to  
Soak up some lazy days  
No one can rain on our parade  
Standing here beneath the shade  
Of our love  
Let's slide down the avenue  
Like good New Yorkers do  
Maybe then I'll believe  
When you give, man, you receive  
Soak up some lazy days  
No one can rain on our parade  
Standing here beneath the shade  
Of our love  
Wide-eyed and stupid  
I'm waitin' for the arrows of cupid  
Wide-eyed and stupid  
I'm waitin' for the arrows of cupid  
Wide-eyed and stupid  
I'm waitin' for the arrows of cupid  
Wide-eyed and stupid  
I'm waitin' for the arrows of your love  
Your love  
Your love  
Soak up some lazy days
