

Guardian Angel

Jojo

Roll With Me
Yeah Yeah (3x)
Roll With Me
Yeah
Coldest Summer
Under The Covers
Can't Change The Weather
What A Bummer

Feels Like Its Raining All Day
Raining On May
On May-Ay-Ay
Sounds Of Thunder
Feels Like A Drummer
Poundin On My Headache
This Is Scary
Hearts Beating Like A Cop Chase
It's like Im Being Chased
Im In A Horror Movie
Cause Youve Been Heavy On My Mind Baby
Like A Broken Record On Replay

Going Crazy Cause I Wanna See Your Face
I Wanna See Your Face Baby
I Remember It
Like It Was Yesterday
We Were Just Rebels On The Run
Left Me Stranded
Searching For Your Love
Guardian Angel
Oh Help Me Out
Where Can You Be
Please Come Back To Me
I Need My Guardian Angel
Oh Whyd You Go
I Wont Be At Peace
Till You Come Back To Me
Everybody Needs A Guardian Angel
Ohh Ohh Uh-Ohh-Oh

Guardian Angel
Ohh Ohh Uh-Ohh-Oh
Yeahhh
Nowadays Im Trippin
Everythings Different
My Shadows Missing
Im In Prison
Bars Keeping You And Me Away
Locked Up In A Cage
Like A Tiger Yeah

Scratching The Walls Oh
Im Full Of Rage

I Need A Miracle
Come Save Me
Going Crazy In This Lonely World
It's A Lonely World Bay Ba Yeah
I Remember It
Like It Was Yesterday
We Were Just Rebels On The Run
Left Me Stranded
Searching For Your Love
Guardian Angel
Come Help Me Out
Where Can You Be
Please Come Back To Me
I Need My Guardian Angel
Oh Why'd You Go
I Won't Be At Peace
Till You Come Back To Me
Everybody Needs A Guardian Angel
Ohh Ohh Uh-Ohh-Oh
Guardian Angel
Ohh Ohh Uh-Ohh-Oh
Yeahhh
My Hands Are Tied
Can You Hold Me Tonight
If It Was You I'd Sacrifice
I Need You Now To Take The Will
Angels Of The Sky
Can You Hear My Cries
Dont Trust Myself Tonight
Take The Will Guardian Angel

Oh Why'd You Go
I Won't Be In Peace
Till You Come Back To Me
Everybody Needs A Guardian Angel
Come Help Me Out
Where Can You Be
Please Come Back To Me
I Need My Guardian Angel
Oh Whyd You Go
I Wont Be At Peace
Till You Come Back To Me
Everybody Needs A Guardian Angel
Ohh Ohh Uh-Ohh-Oh
Guardian Angel
Ohh Ohh Uh-Ohh-Oh
Yeahhh
Oh oh oh whoaa
Coldest Summer
Under The Covers
Can't Change The Weather
What A Bummer.
