

Mr Moonlight

Clinic

Kathy in the sun

Kathy has just come

No other family warmth that blinds your home

And people in the know are just people in the knowRush them on the sands and all go home, its goodnight
Candleman would never

Oh candleman would never mindLesters on the ropes,

Lester and the hoax

No other family warmth that binds your home

And people in the shows are just people in the showsRush them on the sands and all go home, its goodnight
Candleman would never

Oh candleman would never mindSonny knows you know you know what has begun

Sonny come come up the front

All the elephants came out now you can dismount

With the family warmth that binds your housePeople in the know are just people in the know
Rush them on the sands and all go home, its goodnight

Candleman would never

Oh candleman would never mindFollow Mr. Moonlight
