Place In My World

Texas

Listen
Be what you wanna be
Do what you wanna do
It's your life
It's your life, it's your world
Well this is Texas alongside Suncycle
Dynamite, Yeahoooooohh
oooooohhYou're fine
It's only in your own small head
There's nothing you can lose or share
So listen
You should know how it is to be alone
You're going nowhere at lastYes you know that this time
You must take what you find
And I'll be who I want
'Cos this is a place in my world, flashing lights
Yeah tonight is my night
And I'll be who I want
You walked into a place in my worldWhat do you have?
I wanna know
What do you know?You're so late
Acting like you know it all
Laughing when I took the fall
So listen
I know you lie
Everyone around you
You're the storm that brings them homeYes you know that this time
You must take what you find
And I'll be who I want
'Cos this is a place in my world, flashing lights
Yeah tonight is my night
And I'll be who I want
You walked into a place in my worldWhat do you have?
What do you know?
Tell me
What do you have?
Yeah, I wanna know
What do you know?
Yeah - tell me(DJ RAPS)Yes you know that this time

You must take what you find
And I'll be who I want
'Cos this is a place in my world, flashing lights
Yeah tonight is my night
And I'll be who I want
You walked into a place in my worldWhat do you have?
Well this is Texas alongside Suncycle
What do you know?
That I'm right - yeah
What do you have?
Listen
What do you know?
What do you have?
What do you know?
What do you have?
What do you know?
