Jesus the lamb the great I am
Wonderful and matchless king
The word on whom I stand
Giver of life to every man
I lift my hands and worship in your presence

Hallelujah

Come on and lift your hands in the sanctuary

I lift my hands and worship in your presence
(Oh God I find safety in your presents Lord
I worship in your presents God that's where I find peace)

I lift my hands and worship in your presence
(Oh God cast your cares upon the Lord, for he cares for you yes He does
I lift my hands to you Father, I lift my hands to you Savior)

I lift my hands and worship in your presence
(And I cry Holy Holy Holy Holy Holy are you Lord
Oh God I worship in your presence, I wade in your presence, I bask in your presence and I lift my hand)

I lift my hands and worship in your presence
(Hey glory to your name God and I worship in (and worship in your presence)
He's the king of kings and the Lord of Lords)

Come on lift your hands!

I lift my hands and worship in your presence
(Oh God yeah
And I worship in your presence God
Oh He's the Lord God almighty

He's the Lord strong in battle
And I lift my hands yes I do God)

I lift my hands and worship in your presence
(It's surrender to your will, It's surrender to your way
And I worship in your presence
I worship in your presence (repeat x3)
I lift my hands!)

I lift my hands and worship in your presence
(I say yes to your will, I say yes to your way God
I lift my hands!
My soul says yes and my mind says yes and my heart says yes)

Hallelujah
Hallelujah
Hallelujah Jesus
He the king of glory
The Lord strong and mighty
The Lord God mighty in battle
And I lift my hands and worship you Jesus
The Rose of Sharon, the great I am
My battle-ax yes God
My will in the middle of a will
I lift my hand to you Jesus
Jesus (repeat x6)
My healer
He's my healer, He's my savior, He's my joy and my strength
My peace and my love
And I lift my hands to you Jesus
Hallelujah (repeat to fade)
