

# Each Other

## Katharine Mcphee

No more lonely nights to hurt me  
No more tears left to spare  
No more reasons to be unhappy  
You threw them all up in the air  
And I don't know how you did it  
But you made me a believer  
I never thought that love  
Could turn someone into a dreamer  
For the first time in my life  
I don't feel like I need a breather  
'Cause everywhere I go  
I wanna know you're gonna be there  
I'd give it all up for you  
Do anything you asked me to  
You're like a pillow I can hold on to  
'Cause we got each other, we got each other  
Now that this has gone away  
You left me here without a trace  
And now I'm in a brand new place  
'Cause we got each other, we got each other, yeah  
And some times in the past almost pulled us under  
But we got through all that and it made us stronger  
Through the good, through the bad, you just ain't another  
You're the best thing I have and we got each other  
When the hard times confront me  
You always show me that you care  
And I believe you are my rescue  
When I see you right there  
And I don't know how you did it  
But you made me a believer  
I never thought that love  
Could turn someone into a dreamer  
For the first time in my life  
I don't need a breather  
'Cause everywhere I go  
I wanna know you're gonna be there  
I'd give it all up for you  
Do anything you asked me to  
You're like a pillow I can hold on to

'Cause we got each other, baby, we got each other  
Now that this has gone away  
You left me here without a trace  
And now I'm in a brand new place  
'Cause we got each other, we got each other  
You are the hand that I reach for  
When I don't wanna be alone  
You are the voice I hear at night  
Lets me know I'll be alright  
When I need a real good friend  
Don't have to look far, you're the best  
I'm safe here in your arms  
And I know this is where I belong  
'Cause I'd give it all up for you  
Do anything you asked me to  
You're like a pillow I can hold on to  
'Cause we got each other, baby, we got each other  
Now that this has gone away  
You left me here without a trace  
And now I'm in a brand new place  
'Cause we got each other, baby, we got each other  
No matter what happens we got each other  
Had some times in the past but we got each other  
Through the good, through the bad we still got each other  
Really happy or sad but we got each other  
I'd give it all up for you  
Do anything you asked me to  
You're like a pillow I can hold on to  
'Cause we got each other, we got each other  
Now that this has gone away  
You left me here without a trace  
And now I'm in a brand new place  
'Cause we got each other, baby, we got each other  
And some times in the past almost pulled us under  
But we got through all that and it made us stronger  
Through the good, through the bad, you just ain't another  
You're the best thing I have and we got each other  
No matter what happens we got each other  
Had some times in the past but we got each other
