

# Like This (Featuring Yung Joc)

## Marques Houston

A shorty get like me, do it like this  
It'll be every dream, baby fuck a price list  
Joc grow with it, I see what I want  
One or not gon' get it, them haters wanna hate  
Grown with it, my God I'm dope boy fresh  
Hit the toe and Izod  
The most downloaded song in your iPods  
Me and MH never tricked, so why start?  
Shorty keep back, play your part Rollin in the Bentley watch how I hit the strip  
Wrist blingin' on the steering whip  
It's like a house on twenty fours  
Everybody knows, this is how it goes (Gotta make it do)  
I don't wanna go but if you can't  
Try it and do it like this  
Pop a bottle when you hit the club  
Tippin' ball well, get a lil' tipsy y'all  
Then make your way to the dance floor, Hey (Bounce like this, work them hips)  
Ladies show these fellas how you grind like this  
(Fellas walk like this, talk that ish]  
We're gonna show these ladies how we hump like this  
Like this, like this (In the club)  
Like this, do it like this (In the club)  
Like this, like this (In the club)  
Like this, do it like this Roll up in the club, and I'm lookin kinda icy  
Red monkey jeans, with a fitted and a white tee  
I know ladies you lie, y'all wanna know wassup  
I'm tryna see is a honey with a fatty  
Drop it down south and back it up on Big Daddy  
That's cool, do it how you do  
Yeah mami that's wassup, now let me see ya (Bounce like this, work them hips)  
Ladies show these fellas how you grind like this  
(Fellas walk like this, talk that ish]  
We're gonna show these ladies how we hump like this  
Like this, like this (In the club)  
Like this, do it like this (In the club)  
Like this, like this (In the club)  
Like this, do it like this I'm as slum as they come, yeah I know it  
Evertime I open up my mouth I show it  
Erbody's on, baby I blow it

Gotta couple wars if these strippers I'mma throw it  
Gotta couple bottles, yeah gonna pour it  
Baby we Crystal shorty we'll mow it  
Ice, tonight's the night  
I'm in the big Coup fitted tilted to the right, you like?  
I know, you choose it, Young J-O and Marq Houston  
Meet me in the room, it's going down  
I wanna see you in that Vicky Secret gown  
Clap on, clap off, I wanna see the lights go down  
Clap on, clap off, I wanna see you turn that thing around(Bounce like this, work them hips)  
Ladies show these fellas how you grind like this  
(Fellas walk like this, talk that ish]  
We're gonna show these ladies how we hump like this  
Like this, like this (In the club)  
Like this, do it like this (In the club)  
Like this, like this (In the club)  
Like this, do it like this This is MH, Yung Joc, TUG, Bad Boys-sa  
(Block Entertainment)  
Collabo', let's go  
(You heard? My homie, MH, huh)  
(You got em' going crazy with this one)  
(The track, the club, all that, whoooo)
