# Before The Dawn

## Judas Priest

Before the dawn I hear you whisper
In your sleep, "Don't let the morning take him"
Outside the birds begin to call
As if to summon up my leavingIt's been a lifetime since I found someone
Since I found someone who would stay
I've waited too long, and now you're leaving
Oh, please don't take it all awayIt's been a lifetime since I found someone
Since I found someone who would stay
I've waited too long, and now you're leaving
Oh, please don't take it all awayBefore the dawn, I hear you whisper
In your sleep, "Don't let the morning take him"
