

Boom

Maia Hirasawa

I wanna be where you are
Not too cold, not too far
I wanna go
Home, home, home, home While the world's getting
Smaller than small
I wanna be where you are
Though my heart is screaming
go, go, go, go, go
We Are The World
Is not a song I like to sing
I'll never do actually
Show Must Go On
Like Freddie sang
Is more like me
While my heart beats
Boom boom boom boom Boom...
My heart beats I want to see the world
Not from distance
Not from above
I wanna join
my boy, boy, boy, bo-boy
But what about you
I'm not that strong
So we will come along
Is my heart dreamin' Just go go go go We Are The World
Is not a song I like to sing
I'll never do actually
Show Must Go On
Like Freddie sang
Is more like me
I see you soon
Boom boom boom boom Boom... My heart beats My heart beats
And my heart sings
And my heart screams My heart beats for everyone
In every little second
And if you wanna come along
Just join the club of fortune
My heart beats for everyone
I can't just stop this feeling

My heart's won't stop beatingboboboboom!
