

# Last Night I Didn't Get to Sleep At All

## The 5th Dimension

    Last night I didn't get to sleep at all, no, no  
    I lay awake and watched until the mornin' light  
Washed away the darkness of the lonely night, lonely nightOh, and last night I got to thinkin' maybe I, I, I  
    Should call you up and just forget my foolish pride  
    I heard your number ringin', I went cold inside  
And last night I didn't get to sleep at allI know it's not my fault, I did my best  
    God knows this heart of mine could use a rest  
    But more and more I find the dreams I left behind  
Are somehow too real to replace, replaceOh, last night I didn't get to sleep at all, no, no  
    The sleepin' pill I took was just a waste of time  
    I couldn't close my eyes 'cause you were on my mind  
    And last night I didn't get to sleep, didn't get to sleep  
No, I didn't get to sleep at allBut more and more I find the dreams I left behind  
Are somehow too real to replace, replaceOh last night I didn't get to sleep at all no, no  
    The sleepin' pill I took was just a waste of time  
    I couldn't close my eyes 'cause you were on my mind  
    And last night I didn't get to sleep, didn't get to sleep  
No, I didn't get to sleep at all, no, no, no, no, no, noLast night I didn't get to sleep at all, no, no  
    Last night I didn't get to sleep at all, oh  
    Last night I didn't get to sleep at all
