

Sugar

Kerli

Oooh la la, ah, be sweet like sugar, ah
Oooh la la, ah, treat me forever, ah Let me melt your solid heart
I'll let you skip it super good
Straight to the best part
Ration free, ooh, passion, ah Baby, I got such a crush
Pour another candy shot
I just wanna' feel the rush
Ration free, passion, ah Oooh la la, ah, be sweet like sugar, ah
Oooh la la, ah, treat me forever, ah
Oooh la la, ah, be sweet like sugar, ah
Oooh la la, ah, la ah ah Stir it up inside of me
Consoling me with every touch
I think I'm gonna' OD
Ration free, passion, ah Feed me with a silver spoon
Can you make it nice, now?
Triple-x, me and you
Ration free, passion, ah Oooh la la, ah, be sweet like sugar, ah
Oooh la la, ah, treat me forever, ah
Oooh la la, ah, be sweet like sugar, ah
Oooh la la, ah, la ah ah Sugar, like sugar
Like sugar, like sugar Coat me in kisses, in kisses, in kisses
I'll do whatever you want to do
Coat me in kisses, in kisses, in kisses
I'll do whatever you want to do Oooh la la, ah, be sweet like sugar, ah
Oooh la la, ah, treat me forever, ah
Oooh la la, ah, be sweet like sugar, ah
Oooh la la, ah, la ah ah
